PRAYER FOR BICENTENARY YEAR

**O God Almighty**, we are grateful for your benevolent blessings upon the Society of Jesus Mary Joseph for the past two centuries. As we celebrate the Bicentennial year of the Foundation of the Society JMJ, empower us by your Holy Spirit, to encounter You and one another, to live faithfully to the reality of our times, preserving the heritage of JMJ, and march forward as vessels of hope *'Journeying with our Founder Fr. Mathias Wolff – Rekindling JMJ Legacy'*.

Enkindle our hearts, to fan into flame the fire of our Founder's spirit and charism through personal prayer and contemplation, glowing his selfless apostolic zeal in our service to humanity. We make this prayer through the intercession of our Holy Patrons Jesus Mary Joseph - ***Amen.***
